Dear Brothers,

This picture represents the truthfulness of Ecclesiastes 8:11
Because sentence against a bad work has not been executed speedily, that is why the heart of the sons of men has become fully set in them to do bad.

I have been dealing with the falsehoods of a daughter, [REDACTED], for over 17 years.

[REDACTED] brought charges against me over 2 years ago thru a restraining order yet never has been able to furnish proof of anything against me because lies are hard to prove.

She has used Jehovah's house of worship not once but twice to cause me trouble.

Once thru an incident of a tape made back in 1988 that she placed under her bed trying to prove abuse. She never used it at that time because of lack of proof yet her accomplice brought

up as proof of my violent
nature [redacted]
yet [redacted] said she no longer
had it. This was in Natick
at a convention when [redacted] even
brought a witness. (April 2003)

(7) [redacted]
[redacted] later at another Natick Convention (Nov 2004)
she had me arrested with police
coming in with drawn weapons
for violation of the restraining
order. [redacted] has the
story. Her charges were dismissed
as she + her husband [redacted]
had hid to the brothers in W. Springfield
+ also the D.A.
The D.A. dismissed the case as
their story was not the truth
after the D.A. talked to [redacted].

Now these pictures have been
circulated in my trailer park
yesterday while I was at the
Natick convention of March 5th.

Knowing that I was at the convention
that Deborah told me to attend
2 women put these pictures
under papers of the cars in
the trailer park [redacted]

got one (an elder in Palmer)

Brothers, the pictures used of me are pictures of me taken at [redacted]'s wedding notice the Tuxedo worn in right hand side picture.

Recently for the third time [redacted] brought slanderous charges saying police didn't take action against me because of the statute of limitations.

So now because of lack of desire on the part of the brothers Desovak's name is being pulled thru the mud in Wales.

I have a man in the park that pulled the 2 women out of the snow (thru distributing the pictures) hope that he can identify the women. but is this necessary.

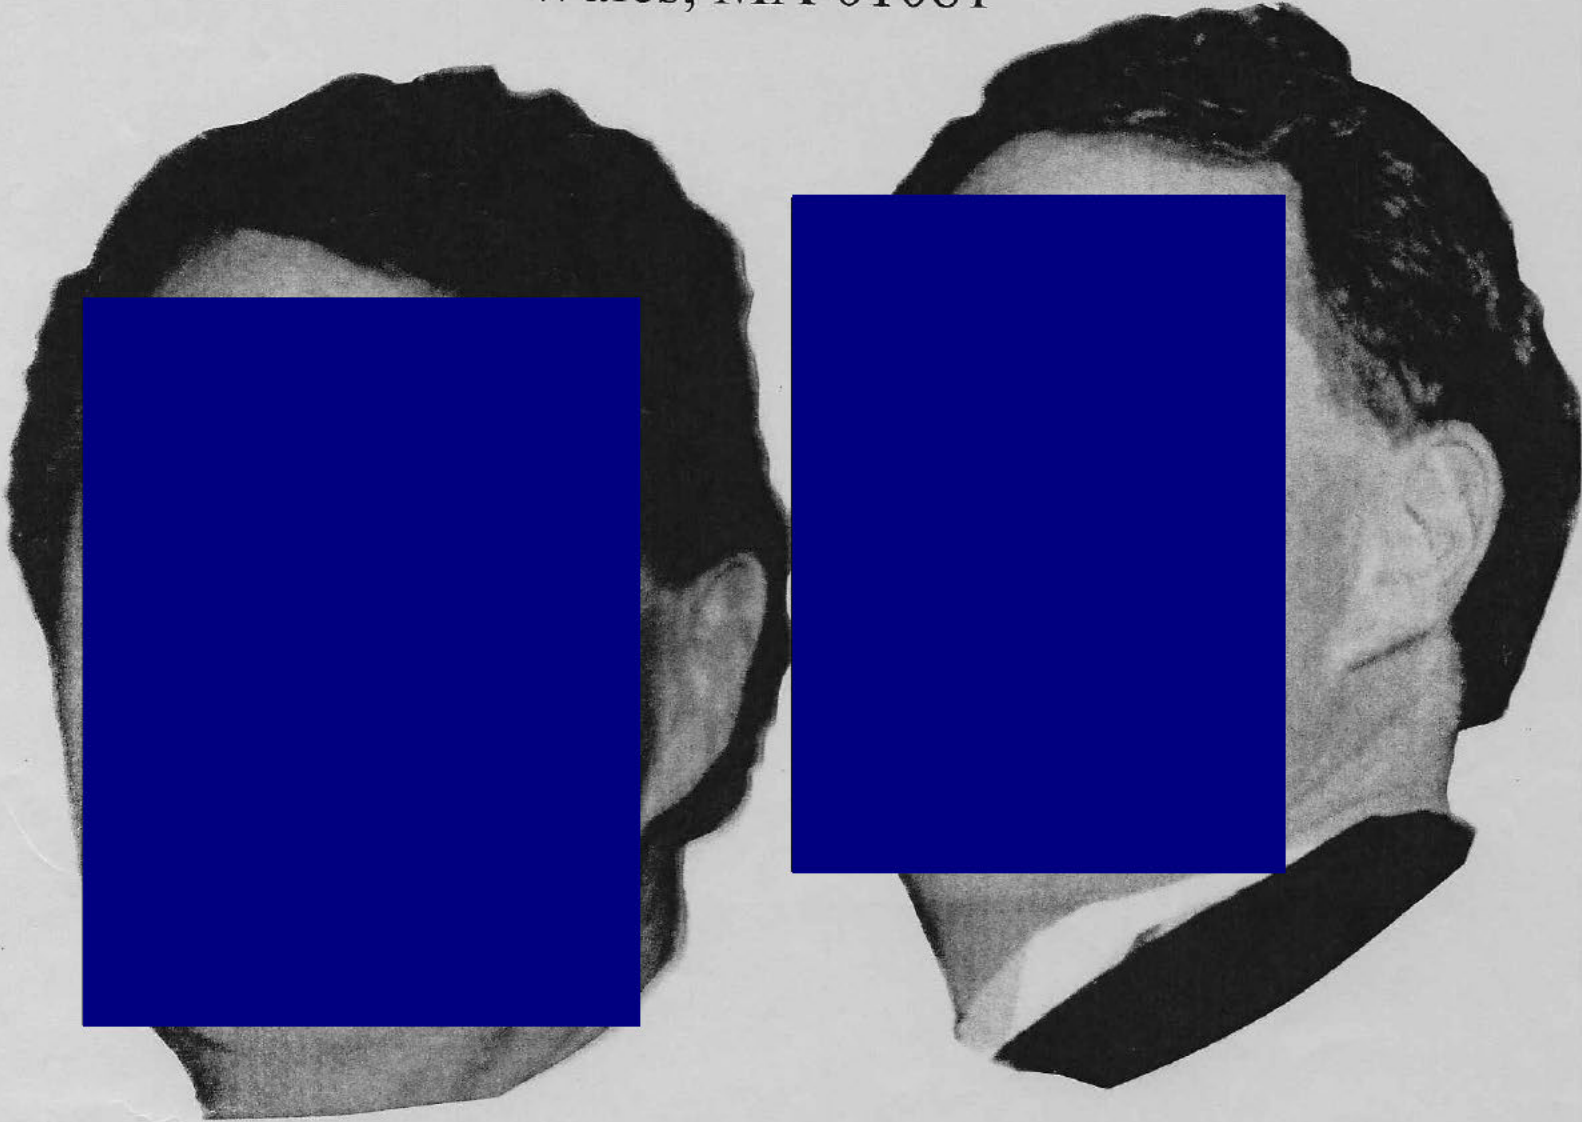

Do I need more proof of those who pulled this stunt.

Still looking patiently for a Phoenix in God's organization

[redacted]
a brother wanting to be exonerated
